Hi!

We need your help! We would like to find out what kids think and do during their everyday lives. We are trying to get information on all kinds of activities and food. This information will help us understand what it is like to be a boy or young man today.

To be a part of our study, all you need to do is complete this questionnaire and send it back to us in the enclosed envelope. That's it! It doesn't take that long, and there are **no** right or wrong answers.

Next year, we plan to send you a newsletter to let you know about all the things that we're finding out. With that, you will receive your next questionnaire. But don't worry! It'll be just as easy as this one.

If you would like to be a part of this fun study, please **use a No. 2 pencil** and complete the booklet. Although your mom gave us your name, the things that you tell us **won't** be told to your parents or anyone else. We use them just for the study. We really want to know about **you**.

We hope you will join us. If you have any questions, call Helaine Rockett collect at (617) 525-2279.

Thanks very much!

Sincerely,

Graham A. Colditz, MD, DrPH
Principal Investigator

P.S. We'd really like to find out about what you think and do. Please fill out the booklet as soon as possible. And remember, we won't share your answers with anyone, so please be really honest!

HARVARD SCHOOL OF PUBLIC HEALTH

INSTRUCTIONS

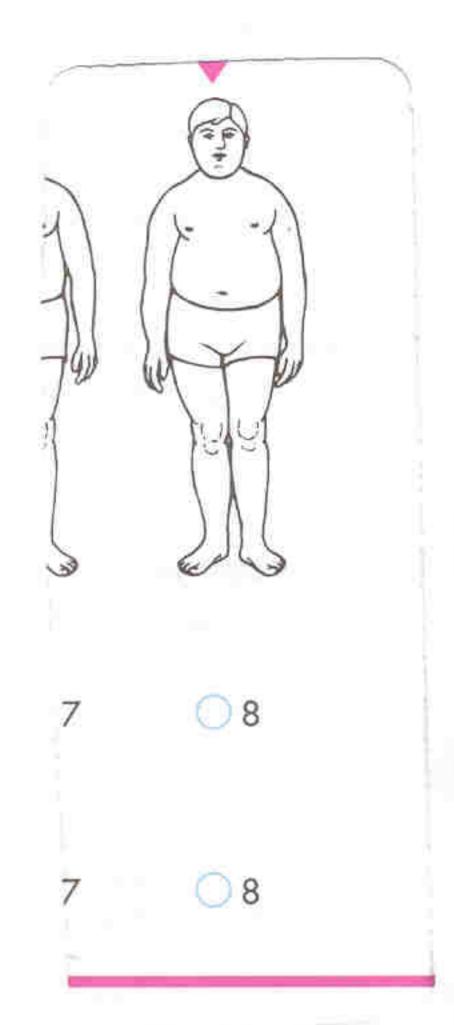

Please use an ordinary No. 2 pencil to answer all questions. Fill in the circles completely. There are no right or wrong answers. We just want to know what you do and think. The questions will be read by a machine so if you need to change your answer, erase the incorrect mark **completely**. If you have comments, please write them on the last page of the booklet.

EXAMPLE 1:

NOTE: It is important that you write in your weight and fill in the circles. That way we can check that the correct circles have been filled in.

EXAMPLE 2:

Think about your usual snacks.

How often do you eat each type of snack food.

For example, if you eat poptarts rarely (about 6 per year) then your answer should look like this:

E2. Poptarts (1)

- Never/less than 1 per month
- 1-3 per month
- 1-6 per week
- 1 or more per day

Is this your correct Date (Month/Day/Year): Yes No ► If No, please write MONTH /	Here we go!
2. Are you: Male Are you?	Female YOUR HEIGHT
This is tricky to do by yourse someone to help. Some hints • Stand up straight against of the floor without shoes or h	to get the correct height: a wall with your feet flat on
4. How much do you weigh? DIRECTIONS: Weigh yourself without your shoes or heavy clothing. If you don't have a scale at home, try to find one at school or a friend's house that you can use.
